

AMENDED IN SENATE MAY 3, 2011  
AMENDED IN SENATE MARCH 21, 2011

**SENATE BILL**

**No. 744**

---

**Introduced by Senator Wyland**

February 18, 2011

---

An act to amend Section 12531 of, and to add *and repeal* Chapter 17 (commencing with Section 13850) ~~to~~ of Division 5 of, the Business and Professions Code, relating to water submeters.

LEGISLATIVE COUNSEL'S DIGEST

SB 744, as amended, Wyland. Water submeters: testing.

(1) Existing law requires that a person who uses, or intends to use, any weight or measure, or weighing or measuring instrument for commercial purposes, to cause them to be sealed by a sealer before using the same, unless they have been sealed before sale, in which case existing law allows the purchaser to use them for the remainder of the period authorized by regulations adopted by the Secretary of Food and Agriculture. There is within the Department of Food and Agriculture the Division of Measurement Standards, which is designed to ensure the accuracy of commercial weighing and measuring devices.

This bill would provide that any water submeter tested by a test bench that is regularly calibrated by a cross-check measure shall be deemed to be sealed and approved for commercial use, as specified, provided that the submeter satisfies certain criteria, including that the submeter is otherwise a type approved by the Division of Management Standards.

(2) Existing law regulates the utilization and repair of weighing or measuring devices. Under existing law, for purposes of weighing and measuring devices, the term "placed in service" means to permit the use of a device that has been tested and found to be correct, as specified,

and type approved, as provided, or to submit a device to a sealer for verification prior to installation. Under existing law, a device may only be placed in service by a sealer or a service agency.

This bill would provide that for the purposes of any applicable law or regulation relating to the placing of a water submeter in service, including, but not limited to, the above provisions, no water submeter shall be considered to have been put into service prior to its installation if the water submeter is to be used in a multiunit residential structure. The bill would also make related conforming changes.

*This bill would make the above provisions operative until January 1, 2015, and would state that the repeal of these provisions renders the provisions subject to review by the appropriate policy committees of the Legislature.*

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*

- 1 SECTION 1. Section 12531 of the Business and Professions
- 2 Code is amended to read:
- 3 12531. As used in this chapter, the following definitions are
- 4 applicable:
- 5 (a) "Service agency" means any person, as defined in Section
- 6 12011, that for hire, award, commission, or any other payment of
- 7 any kind, repairs a commercial device.
- 8 (b) "Service agent" means any person employed by a service
- 9 agency to repair a commercial device.
- 10 (c) "Device" means any weighing or measuring equipment,
- 11 contrivance, or instrument used, or designed to be used, for
- 12 determining weight or measure, and includes any tool, appliance,
- 13 or accessory used in connection therewith, that is used for
- 14 commercial purposes as defined in subdivision (e) of Section
- 15 12500.
- 16 (d) "Placed in service" means, except as described in Section
- 17 13855, to permit the use of a device that has been tested and found
- 18 to be correct, as defined in subdivision (c) of Section 12500, and
- 19 type approved, as provided for in Section 12500.5, or to submit a
- 20 device to a sealer for verification prior to installation.
- 21 (e) "Correct" means any device that meets all of the tolerance
- 22 and specification requirements of Section 12107.

1 (f) "Repair," in any of its variant forms, means to provide  
2 maintenance, or to install, adjust, recondition, or service a device.

3 SEC. 2. Chapter 17 (commencing with Section 13850) is added  
4 to Division 5 of the Business and Professions Code, to read:

5  
6 CHAPTER 17. WATER SUBMETERS  
7

8 13850. (a) Any water submeter tested by a test bench that is  
9 regularly calibrated by a cross-check measure shall be deemed to  
10 be tested and sealed and approved for commercial use pursuant to  
11 any regulations related to the testing and oversight of submeters  
12 by the Division of Measurement Standards, including, but not  
13 limited to, Sections 12501.1 and 12502, provided that all the  
14 following conditions are met:

15 (1) The submeter complies with the accuracy tolerance for  
16 submeters as published in the National Institute of Technology  
17 Standards Handbook 44.

18 (2) The submeter is otherwise a type approved by the Division  
19 of Measurement Standards.

20 (3) The test results are attached to the submeter.

21 (b) Nothing in this section shall be construed to limit or alter  
22 any additional regulations relating to testing and oversight of  
23 submeters by the Division of Measurement Standards. Nothing in  
24 this section shall be construed to affect any regulations promulgated  
25 by any city, county, city and county, utility, water district, or  
26 similar entity.

27 13855. For purposes of any applicable law or regulation relating  
28 to the placing of a water submeter in service, including, but not  
29 limited to, subdivision (d) of Section 12531 and Section 4085 of  
30 Title 4 of the California Code of Regulations, no water submeter  
31 shall be considered to have been put into service prior to its  
32 installation if the water submeter is to be used in a multiunit  
33 residential structure.

34 *13859. (a) This chapter shall remain in effect only until*  
35 *January 1, 2015, and as of that date is repealed, unless a later*  
36 *enacted statute, that is enacted before January 1, 2015, deletes or*  
37 *extends that date.*

- 1     *(b) Notwithstanding any other provision of law, the repeal of*
- 2     *this chapter renders the chapter subject to review by the*
- 3     *appropriate policy committees of the Legislature.*
